Hallway, last week, a locomotive ran away. It was on a steep grade—about ninety feet to a mile—when a steem-chest exploded, and the locomotive began descending the hill at a fearful pace. The engineer and fireman were com-pelled to jump off when it was running forty miles an hour, and fortunately except without serious injury. The runaway engine, with coustantly accelerated speed, rushed down the founds, occupying six hours and nineteen min-

The Fort Smith Herald, of August more dead than alive. 30, says: We learn from Major E. C. Boudinet that the Cherokvednisgation concluded a treaty To the Editor of the World: with the Government, in which a large amount of land lying west of the Nation proper, known as the outlet, which was granted to the Cherokee by Gen. Jacksoo, in the treaty of 1855 was cold to the United States to settle the Indians of Kanass upon; and also, the treaty provides for the settlement of all monies now due the Indians under the various treaties made with the Cherokees since 1817. Taking the treaty altogether, it is a satisfactory one to the Government and the Chorokees.

Sir: My attention has been called to a statement going the rounds of the press, that I have money bet against the election of Seymour and Biair, and that I am going to support Grant. I ask the indians under the various treaties made with the Cherokees since 1817. Taking the treaty dollar in money or property of any kind before against the nominees of the Demonent and the Chorokees. with the Government, in which a large amount

heal her at once. His uneasy manner and his anxiety that she should take it at once, made her suspicious, and on some pretext she got possession of the powder and refused to give it up. Next day she had it analyzed, and discovered that there was enough morphine in it covered that there was enough morphine in it to kill have men. A magistrate was sent for the kill have men. A magistrate was sent for and took her deposition; the apothecury was also summoned, and Peck arrested and put spon bonds as stated.
